4. Contracting authority

Municipality of Bitola
Bulevard 1-st of May 61, 7000 Bitola
047 208 338
biofosipa@gmail.com

5. Other information

We do not receive any tenders until dead line even few companies call us on the phones they told us that they were interested but there were not submitted tenders.

The tender procedure was implemented according PRAG procedures and according the recommendation during the training. The tender documentation was published on Municipality web site on 23.02.2016 with deadline for submission of offers on 09.03.2016 till 12:00 h. There was interest from several Tourist agencies that wanted to participate in the tender and they didn't prepare the documents on time that's why we didn't get any offers till the deadline.

Notes:

There will be a new tender procedure be launched.

Should a new tender procedure be launched for this project, a new procurement notice will be published.

Natural or legal persons interested should not therefore send proposals or requests for information at this stage.
