

MUNICIPALITY OF BITOLA

Protection of the environment through the promotion of biomass for substitution of fossil fuels in heating and power generation Biofoss

IPA/2010/DN023658/CN359693

EXTENSIONS

Deadline for submitting tender for Study for biomass boiler, development cluster concept and energy profiling

01.07.2016

Because of the justified reasons we extend deadline for submission of offers for tender for Study for biomass boiler, introduction and development of biomass cluster concept and Energy profiling (publication reference 08 – 810/3, 2016) for the project Protection of the environment through the promotion of biomass for substitution of fossil fuels in heating and power generation / BioFoss, so deadline for submission of the tenders is 08.07.2016 12:00 h.

When submitting their tenders, tenderers must follow all instructions, forms, terms of reference, contract provisions and specifications contained in this tender dossier. Failure to submit a tender containing all the required information and documentation within the deadline specified may lead to the rejection of the tender.

These instructions set out the rules for submitting, selecting and implementing contracts financed under this call for tenders, in conformity with the Practical Guide to contract procedures for EU external actions, (available on the internet at this address:
