

## MUNICIPALITY OF BITOLA

### Protection of the environment through the promotion of biomass for substitution of fossil fuels in heating and power generation Biofoss

Bitola 08.08.2016

Our ref.: 08 736/8 / 1 2016

Dear Sirs,

during the tender procedure for the Tender for Equipment about project Biofoss publication number 08 736/8 2016, in the period which was given to ask questions for clarification and so we received only one request for clarification that it was

Request :

”We also would like to ask you to send us an existing boiler room plan with distances and dimensions. We would like to see the place where the boiler will stand. Also, pictures of the current situation.”

Answer:

Today we will attach on our web page on the same place where you find the tender dossier pictures from the boiler room and scheme that we have.

Yours sincerely,

Goran Nedelkov
